Gages

Dyer Gage	Bore gages, groove gages, in-wall thickness gages, special application gauges, indicating units, set masters	www.dyergage.com
Fowler	Precision Micrometers, Calipers, Depth Gages, Tool sets, Indicators, Bore gages, Zcat cmm, Height gages, Horizontal Measurement and Calibration, Optical Measurement, Reference Masters and wide variety of Shop Tools	www.fowlerprecision.com
Hemco Gage Co.	Hemco gage-Precision hard chromed gages, set plugs, ring gages, snap gages, sucker rod gages, API gages, cylindrical rings, reversible plugs, taper lock plugs, pin gage sets, master set plugs, special thread gages and calibration services	www.hemcogages.com
Mitutoyo	Micrometer, micrometer heads, bore gages, inside micrometers, calipers, height gages, depth gages, gage blocks, dial indicators, thickness gauges, laser scan micrometers, liner gages, microscopes, hardness testing machines optical comparators and CMM	www.mitutoyo.com
Northern Gauge	API gauges, solid ring thread gages,	www.northerngauge.com
Ottawa Gage	Custom gaging, fixture gaging, precision machining and grinding, calibration dimensional services, and standard gages	www.ottawagage.com
Pennoyer-Dodge	Precision Gages : Ring Gages, Set Plugs, Work Plugs, Cylindrical Gages, Taper Pipe Gages, Thread Engineering and Tooling Specialist Since 1948	www.pdgage.com
PMC Gage	API, Acme, Thread gauges, CDRP gage system, Calibration	www.pmclonestar.com
Sterling Gauge and Calibration	Acme, Buttress and modified threads, cylindrical rings and plugs, thread rings, set masters	
Vermont Gage	Custom and Standard gages, Calibration service	www.vermontgage.com

Westport Gage	Gauges, Calibration, Measuring	www.westportcorp.com
---------------	--------------------------------	--

Cutting Tools and Abrasives

Bates Technology	Honing stones, super abrasives, mandrels and tooling	www.batestech.com
Bullard Abrasives	Grinding abrasive tools	www.bullardabrasives.com
Cowles Tool	Industrial knives, Blades and Tooling, Precision slitter	www.cowles-tool.com
Monster Tool	Solid carbide cutting tools, blanks, boring bars, burrs, drills, end mills, reamers and routers	www.monstertools.com
Pride Abrasives	Honing Stones, Abrasives, Dressing Sticks	www.prideabrasiveinc.com
Radiac Abrasives	Grinding tools, Indexable inserts, round tools HSS taps, bevel gear grinding, gear honing, profile grinding, dressing wheels, dressing sticks, engine valve grinding, segment grinding	www.radiac.com
RTS Cutting Tools	Specialty Cutting Tools, Design, Rebuild, Regrind	www.rtscut.com
SCT	Scientific cutting tools-Indexable tools, boring bars, holders, thread mills, single point tools, and port tools	www.sct-usa.com
Sidley	Diamond-dressing tools, diamond tools, PCD & CBN ,bore finishing tools, plated tools and honing tools	www.sidleydiamond.com
Widell	Taps, Dies, Gages, Tap and Die Set, Internal Tool holders, External Tool Holders, Threading Inserts, HSS, NPT, NPS, Pipe Threads	www.widell.com
Yamawa	Taps, Aircraft taps, dies, drills, tap gages	www.yamawa.com

Machine Tools & Accessories

Barnes Honing & Bore Finishing	Vertical and horizontal boring and honing machines	www.barneshoning.com
Balance Technologies	Custom Precision Measurement and Testing Equipment For all Applications.	www.balancetechnology.com
Century Machine	Honing machines, honing head repairs, abrasives cloths, tooling and equipment	www.centurymachine.com
Command Tool	Tool holders, static holders, driven tools, varia quick change systems, Collet holders (ER, TG, XT) end mill, shell mill, shrink fit, stub arbor, tap, Morse tapers, Jacob tapers, collet extensions, collet nuts, special tool holders available	www.commandtool.com
PRAB	Coolant filtration systems, chip removal, paper bed filters, vacuum filtration	www.prab.com
Summit Machine Tools	Manual lathes, CNC lathes, big hole lathes, horizontal & vertical boring mills, drills, vertical & horizontal mills	www.summitmt.com

Fabrication Equipment

Baileigh Industrial	Metal & Wood Fab Equipment	www.baileigh.com
Lonestar Cutting Solutions	Plasma cutters, Laser and Water Jets, Routers, Pipe machines and Industrial Machines	www.lonestarcuttingsolutions.com
LVD Strippit	Design and manufacture of sheet metal fabrication equipment. Lasers, press brakes, shears, punch presses and more.	www.lvdgroup.com
UTE- Universal Tool & Engineering	Tube Benders Machines are in Stock pending sizes	www.universaltool.com
Well Saw W.F. Wells	Quality cutting band saws. Metal, wood, plastics, graphite, crystal and many other materials.	www.wellsaw.com www.wfwells.com

NS Machine	CNC machining, Mill and Lathe work, custom fixturing, fabrication and assembly, special projects. Turnkey assemblies with small and large parts.	www.nsmachine.net
